Please explain the reason for nomination (explanation may be attached below): \*

Margaret spends most of her time support youth soccer and the local schools. She is the volunteer Registrar for the Greater Northwest Soccer Association which requires a lot of time throughout the year coordinating player registrations, setting up teams, managing payments, etc.

She also has coached 4 teams with one of those for 4 years without having a child on that team and currently the team manager for one of her kids teams.

In addition she volunteers at Beck and Medlin in the library, reading program, room mom, bookfair, hearing & vision screening, picture day, field day, silent auctions, pony camp, concession stand, scoliosis screening, standards based bulletin boards (for both Medlin and the District taking over 200+ hours of time coordinating 12 - 20 volunteers to help), etc.

Outside of school and soccer she supports her Church through many volunteer opportunities such as Home-bound meals coordinator, kitchen coordinator, provides transportation to the elderly, and many other tasks.

And for the community she coordinates and feeds lunches to approximately 125 kids who receive free and reduced lunches in GISD for a week in August. She and this group coordinates volunteers to provide the meals over a week.

I believe Margeret is the type of person we like representing our community. She spends countless hours in support of our children and elderly to make their lives richer.
