Margaret Anderson is a shining example of what it means "to serve". For 8+ years she has served the youth of the Trophy Club area in roles such as Greater Northwest Soccer (GNWSA) Vice President, Registrar, Coach, and coordinator of anything that is needed. What does this mean? This means giving up sometimes 6+ hours a day and an average of 10-15 hours a week throughout the year to make sure kids are registered and parents are taken care of, teams are registered for tournaments, uniforms are delivered, trophies are distributed, the list goes on and on. With her dedication, GNWSA has grown to over 1250 children and adults enjoying the game of soccer throughout the year.

While I cannot thank Margaret enough for her dedication and giving of her time for free, she also serves our children at Beck and Medlin by serving on the PTA. Included in her work is ensuring that top notch work is highlighted on the standards board, hearing and vision screenings are completed, auctions and carnivals are a success and new 6th graders have a positive experience at Medlin Pony Camp.

While that is enough "helping" to meet any above and beyond standard, Margaret also helps the swim team, at her church, and other community out reach projects.

The Citizen of the Year award is a fantastic way to encourage volunteering and to highlight the great people of Trophy Club. I feel no other resident does as much with her time and has such a positive impact as Margaret Anderson.
