Please explain the reason for nomination (explanation may be attached below): *

I would like to nominate Tiffany Nimphius for all her volunteer work she does for the Trophy Club community and how active she is in the area elementary schools. Tiffany goes above and beyond when it comes to volunteering for town activities and events. She leads the committee on the 4th of July town flag planting, and spends countless days helping to plant them and pick them up, she volunteers for and runs in the 4th of July 5K, and she is very involved with the Trophy Club Parks and Rec organization. She volunteers her time and energy to Beck Elementary during several fundraisers and events as well as involving Lakeview Elementary in these programs. She is active in the community playing kickball, her children play on Trophy Club sports teams, and she organizes the girls running club. Tiffany can be seen throughout the town during town events, even if she was not part of the planning, she is always there to help out when needed. Although she has only been here a short time, she has immersed herself in this community and is the epitome of what Trophy Club citizen should be.
