Please explain the reason for nomination (explanation may be attached below): \*

I am nominating Tiffany Nimphius for Citizen of the Year. Although, I don't know her personally that well, the few times I've met her in town she has been incredibly upbeat and caring and her positive attitude is inspirational! Although at this time we don't know the outcome of the Texas Community Challenge (deadline is in two days), I have been amazed at her dedication, motivation and desire for Trophy Club to win a grant and big-as-Texas bragging rights!!! Through her tireless efforts and leadership she has motivated even ME to participate --and I'm not the healthiest person by any means! She's also participated in the Stars & Stripes annual event which includes the planning and implementation of the July 4th parade and flag planting/harvesting work throughout the streets of Trophy Club. I'm sure she is involved in other community events as well...her name's everywhere including active in the PTSA and related events!

Our town is so lucky to have Tiffany Nimphius as one our most outstanding residents leading our town with her infectious attitude, energy and smile!

Thank you for your consideration!
